Sub: Release of Forest lands for the benefit of expropriated ryots of Sharavathy valley Project.

Ref: Your letter No.AFD I FGL 64 dated 20-1-64.

The three man committee constituted in connection with the release of forest lands for the rehabilitation of displaced persons under S.V.H.E.Projects, has recommended the release of 654.15 acres of land from state forests and 50 acres from District Forests. As the District Forests are under the control of the Revenue Department, the question of disforestment of 50 acre of District forest area proposed by the committee does not arise. Orders of Government for disforestment of 654.15 acres included in the State Forests as proposed by the Special Officer for rehabilitation, Shimoga may be communicated early.

Release orders on Three-Man Committee inspections.

Reference:- Your letter No.AFD 1 FGL 64 of 20-1-64, to the Chief Conservator of Forests in Mysore, Bangalore.

The recommendations for the release made by this office consequent on the decision of the Three-Man Committee have been sent to the Chief Conservator for his remarks in your above letter. I wish to state that reference to the Chief Conservator of Forests is bound to delay matters particularly at this critical time when the question of providing land for the Sharavathy people has assumed the greatest urgency since water will be stored in the Reservoir from April onwards. As I know these recommendations were not being sent for his remarks and some of the Government Orders have come out within 10 to 15 days of my recommendations. I would quote a few Government Orders.

(1) G.O.No. AFD 93 FGL 63 dated the 11th July 1963
(2) G.O.No.AFD 87 FGN 63 dated the 22nd June 1963.

In view of the urgency and as the matter has been sufficiently thrashed out during the Three-Man Committee on which the Conservator of Forests is representing the Department I request that the procedure of sending my recommendations once again to the Chief Conservator of Forests may kindly be dispensed with and Government Orders passed on my recommendation on urgent footing.
